## Other Items of Note

- ♦ Does anyone have a suggestion or contact for a **speaker** we could have at our November meeting?
- ♦ One of the community groups that we support **4the Kidz Charity** is asking for more children's "cuddle" quilts for the following age groups 0 - 3, 4 - 9, and 10 - 13 years. Can anyone help us out please? You may be able to donate materials, or create a quilt top. We have the batting (contact Steph Murch). Others may wish to sandwich one and complete the quilting.
- ♦ **Quilt for Historic Isel House display:** Meredith Rimmer [meredithr\\_nz@yahoo.co.uk](mailto:meredithr_nz@yahoo.co.uk) is putting together an exhibition in historic Isel House, Stoke and is wondering if one of our members may be interested in loaning a patchwork quilt for this. They are transforming the smallest room on the second floor of Isel House into a magical child's bedroom in a turn-of-the-century aesthetic. Meredith is wanting a patchwork quilt for the single bed, in white and or pastel colours. If you can help Meredith's phone number is 021-040-7251.
